

Declaration of conformity EUDR 2023/1115

We hereby certify that all articles, parts of articles supplied to XXXXXXXX are compliant with European Union Regulation 2023/1115 on deforestation and forest degradation.

- Raw materials and products are deforestation-free
- Raw materials and products are in compliance with relevant legislation in production country
- There is compliance with local legislation.

Data Sheet of Material

Materiale NATUR GUMMI				
Material Name: NR 3050				
Quality Characteristics and Values:				
No.	Quality Characteristics	Unit	Values	Test Condition
1	Appearance (Color)	—	Grey	Visual
2	Appearance (Transparent)	—	No-transparent	Visual
3	Density	g/cm3	1.3~1.5	23°C
4	Hardness:	Shore A	70	Type-A
5	Tensile Strength	MPa	Min. 7.0	JIS
6	Elongation at Break	%	Min. 250	JIS
7	Rebound Resiliency	%	Min. 30	—
8	Compression set	%	Max. 40	150°Cx22h

9	Temperature Range	°C	-55°to +180°C
10	Chemical Resistance-Alcohol	—	Excellent
11	Chemical Resistance-Alkali	—	Excellent
12	Chemical Resistance-Water	—	Excellent
13	Chemical Resistance-Acids	—	Fair
